MEMORANDUM

To: David Dick, Executive Director
Board for Asbestos, Lead, Mold and Home Inspectors
Department of Professional and Occupational Regulation

From: Elizabeth B. Peay
Assistant Attorney General
Counsel to the Board for Asbestos, Lead, Mold and Home Inspectors

Date: June 18, 2012

Subject: Letter of Assurance for Proposed Repeal of Regulation 18 VAC 15-60

I have reviewed the Proposed Repeal of Regulations issued by the Board for Asbestos, Lead, Mold and Home Inspectors. In my view, as counsel to the Board, it is necessary that the Board repeal these regulations, pursuant to HB 1291 and SB 678 signed by the Governor to go into effect on July 1, 2012. As of July 1, 2012, mold remediation and mold inspection will revert to un-regulated activities in the state of Virginia therefore it is necessary that the mold remediation and mold inspection regulations be repealed.

This memorandum addresses legal matters only, is not intended to serve, nor should it be construed, as a comment for or against the merits of the proposed, regulations, and does not address, or express a position on, matters of public policy.
